ANDREW HILL INVESTMENT ADVISORS INC. CELEBRATES SEVEN-YEAR ANNIVERSARY; REFLECTS ON COMMUNITY SERVICE COMMITMENT

NAPLES, FL. January 23 – Andrew Hill Investment Advisors, Inc., a Naples-based investment and wealth management advisory firm, is pleased to announce its seven-year anniversary this month. In honor of the occasion and in keeping with the firm’s socially responsible mission, the firm highlights its ongoing commitment to community service.

Since the firm’s founding in 2010, the principals in Andrew Hill Investment Advisors have given generously of their time and talents to a variety of not-for-profit organizations benefitting the environment, children’s causes, higher education and wildlife in Florida.

“We are proud of our approach of investing in sustainable, forward-thinking companies while giving back to the community through focused charitable work. Our employees are making a real difference with community activities that are near and dear to our hearts,” said Andrew D.W. Hill, President and Co-Founder of Andrew Hill Investment Advisors.

Hill has been involved in the areas of higher education and professional development as an adjunct professor at Ave Maria University and a board member of both the Hodges University President’s Council and Collier County Medical Society Foundation. He also currently sits on the regional council for the National Parks Conservation Association.

Located at 4081 Tamiami Trail N., Suite C-105, Andrew Hill Investment Advisors is an independent, privately-owned registered investment advisory firm. The firm manages funds for individuals, trusts, small business pension plans and captive insurance companies. Fidelity Institutional Wealth Services serves as the firm’s primary custodian.

“Since opening the firm in January 2010, we have grown our client assets under management to more than \$60 million,” said Jennifer R. Figurelli, Co-Founder and Managing Director. “Our success is due to our highly client focused business model which incorporates personalized investment management services and financial concierge services tailored to relationships between \$400,000 and \$4 million.”

Figurelli has also been engaged in the local community, serving in a variety of capacities for the David Lawrence Foundation, Youth Haven, Habitat for Humanity and the National Alliance for the Mentally Ill. She currently volunteers for the Southwest Florida Council of Boy Scouts of America and St. Peter’s Catholic Church.

Noelle Matthews joined Andrew Hill Investment Advisors in May 2015 as an Investment Associate and has adopted the firm’s commitment to community service. She currently volunteers for the Rookery Bay Natural Estuary as a shark monitor and is a foster parent to dogs through the Find a Home, Give a Home program. She also serves as an ambassador to the Naples Chamber. Previously, she volunteered with Shy Wolf Sanctuary, including serving as chair of the Fundraising Committee.

As a firm, Andrew Hill Investment Advisors is excited about its recently announced partnership with the Florida Panthers Foundation, the main charitable beneficiary of the Florida Panthers National Hockey League team. This outreach program helps to raise awareness and funds to assist in conservation efforts for the endangered Florida panther.

Andrew Hill Investment Advisors participated in the inaugural Panther Conservation Night presented by the Florida Panthers Foundation on January 23, 2016, and will participate in the second annual event at a Florida Panthers home game in the spring of 2017. A portion of the proceeds will help support Florida panther conservation efforts.

Andrew Hill Investment Advisors’ approach to sustainable and socially responsible investing includes analysis of environmental, social and governance factors in addition to traditional security analysis. The firm offers customized portfolios tailored to meet mission specific interests like animal issues, religious issues and environmental issues.

Looking forward, Andrew Hill Investment Advisors will continue to provide services with the goal of helping its clients improve their lives and achieve their financial goals by being financially prepared and organized. The firm will also continue its commitment to charitable service, assisting those organizations that make the local community stronger.
