Additional Security to Safeguard Client Accounts at Fidelity

Our Firm is committed to ensuring that your accounts with Fidelity are safeguarded and protected from fraud. Fidelity offers the following additional security measures for your accounts:

I. Extra login security offered with Symantec's Validation and ID Protection (VIP) Access:

<https://www.fidelity.com/security/soft-tokens/overview>

II. 2-factor authentication: Adds another layer of security to prevent unauthorized access:

<https://www.fidelity.com/security/how-two-factor-authentication-works>

III. Fidelity MyVoice: Voice recognition technology for account security:
