

Effective June 8, 2020:

While the State of Florida has announced re-opening phases for businesses as a result of COVID-19, Andrew Hill Investment Advisors, Inc. has made the decision to continue to take precautions to protect the health and safety of our employees and clients.

We are continuing to promote social distancing, and currently have one (1) staff member available in the office to receive deliveries, documents, and other information. Client meetings will continue to be conducted via conference call or virtual/video conferencing.

We ask that all visitors please knock on our front door and someone will assist you as soon as practical. If a staff member is unavailable to assist you, please use our mail slot located on the lower right-hand side of our front door.

Thank you in advance for your on-going cooperation and patience.
